Dear Editor

This past weekend I was privileged to be part of the second annual Pennsylvania Leadership Conference which met in Harrisburg.

Among much other useful and startling and disgusting information (spending habits of our Pennsylvania legislators, for example) there was one story that is nearly unbelievable. I may not be absolutely correct in all details but in essence this is the story, as told by Ms. Helen Overly from McConnellsburg (Fulton County).

She is president of Overly-Baker, Inc., a manufacture of soft sculpture gift and decorative items marketed throughout the United States. The company began in Ms. Overly's basement and grew to employ about 30 in the factory and nearly 150 who worked in their homes sewing kits furnished by the company. These working at home were considered to be self-employed contractors and paid self employment taxes.

About two years ago the Pa. Department of Labor decided to enforce a 1937 law which it claimed was being violated by these home workers. The law was originally passed to protect exploited workers. The company was shut down the day the inspection was made. Ms. Overly said that she did not have the funds to fight this injustice in the courts. Eventually the company gathered up the kits China where they were finished and air mailed them to Mexico. The work is being done I believe in Mexico. So 150 women were left without a source of income by this.

At present there is a bill in the State Senate (no. 1630) which is designed to nearly this. I would urge your readers to write their state senator on behalf of this bill.

Sincerely,
Daniel L. Hoover

Library sets autumn story time

Evening storytimes for the autumn months have been scheduled for preschool children at the Dillsburg Area Public Library.

The storytimes will be held from 7 to 7:30 p.m. on Mondays. Dates are as follows: October 1, 8, 15, 22 and 29; November 5, 12 and 19; and, December 3, 10 and 17.

The library is encouraging family reading by inviting parents to sign up for the reading sessions and asking that they include their children in planning for the story time for which they volunteer. The library will provide ideas and materials to the volunteer readers if needed.

All preschoolers from the Dillsburg area are invited to attend. No preregistration is required.

The library is located at 17 S. Baltimore Street in Dillsburg. For more information, call Emily or Florence at 432-5613.

Don Beaver takes Silver Spring honors

Don Beaver of Enola took his first 25 lap super sportsman feature win of the season at Silver Spring Speedway on Saturday night, September 22. Smokey Frye of York Haven took his third 20-lap limited late model feature win.

Dale Hammaker of Harrisburg took the early lead in the super sportsman main event from his second starting spot. The yellow flag flew with two laps complete and again with four laps in. Hammaker held the point until lap five when Don Beaver made a bold inside move in turns three and four with his AIS Industrial Contracting 10 to take the lead. Bob Fannasy of Dauphin took second on lap 7 but he was unable to overtake Beaver and there were no yellows to tighten up the field for the remainder of the race. On lap 17 Johnny Murphy of Enola moved by Fannasy but he too was unable to catch Beaver.

Beaver took the win over Murphy, Dwight Leib of Hummelstown, Rich Eichelberger of Dillsburg, Fannasy, Howie Locke of Mechanicsburg, Larry Jackson of Newville, Mike Irwin of Fredericksburg, Dave Cordier of Shoemakersville and Bobby Weaver of Hellam. Heat winners were Fannasy, Jackson, Locke and Eichelberger with Weaver and Billy Crawford of Bloomsburg taking the consolations.

Roy Miller of Palmyra took the lead on lap one of the limited late feature after starting fourth but lost control in turn four on lap two giving the lead to Craig Shover of Etters. Shover set the pace on the restart and the event was not delayed again by the caution. Shover stayed on top until lap 10 when Smokey Frye put his 112 down on the inside of turn four to get under the leader and take command. Jim Bernhesel of Lebanon took second on lap 11 and hounded Frye for the remainder of the event but was unable to overtake him. Bernhesel took second followed by Ron Little of Dover, Carl Billet of York and Ed Jones of Shermansdale.

Heat winners were Jeff King of Summerdale, Roy Miller and Ed Jones with Miller setting a new model 10-lap record at 2.58.02.

The race winner was Russ Shutt of Marysville.

Racing returns to Silver Spring Saturday night for the final point race of the year for the sportsman, limited late model and street stocks. This event will see the tight point races for both the Silver Spring Speedway and the Stroh's Tour super sportsman championships decided. Rich Eichelberger leads the Silver Spring track sportsman points with 2405 to Howie Locke's 2280. Larry Jackson leads the Stroh's Tour standings with 3895 to Locke's 3805. A feature win earns a driver 150 points while the last four spots in the feature carry 5 points.

Gates open at 5 p.m. with the first heat set for 7. The season will be completed on October 6 with the 16th Annual Sportsman 100 and a special invitational race for the top 20 limited late models

All U.S. government checks must be cashed

Old U.S. Government checks including Social Security checks should be cashed by September 30, 1990, or they will be cancelled, said Eileen Meckley, Social Security manager in York.

Under a law which went into effect October 1, 1989, U.S. Government checks began to carry the notation "VOID AFTER ONE YEAR." This means that banks will not cash the checks after one year from the issue date, Mrs. Meckley explained.

All checks printed before October 1, 1989, need to be cashed by September 30, 1990.

People who find that a bank will not accept a Social Security check because it is more than 1 year old will need to ask Social Security to reissue the check.

For more information contact the Social Security office at 1-800-234-5772. The York, Pa. Social Security office is located at 155 W. Market Street.

The theme is "A Celebration of the Ministries of Women", commemorating 20 years of the Ordination of Lutheran Women in America.

Wildcats Claw Polar Bears

by John Middlekauff

It was plain to see, right there on the scoreboard it read Visitors 35 Northern 16. Someone will think I'm crazy, but Northern did not play that bad against Mechanicsburg Friday night (9/22).

Granted the Wildcats did what everyone knew they would try to do, establish a dominance at the line of scrimmage and run, run, run. Granted also that Northern's offense could not run the ball, but had its rhythm on a pretty performance by their left-handed QB and his group of equally gutsy receivers.

But take away that messy second quarter in which the Wildcats put up 20 points folks, and you've got a different game. Northern's defense led by Brian Hawker and Dan Cook, and featuring Dave Habowski, Kevin Leitzel, Ben Kohr, Ryan Silver, and Ryan Maclay did a respectable job against a bigger team.

Northern got on the board first in this contest, as Phil Getty hooked up with Dave Habowski on a pretty 30 yard T.D. reception. That early touchdown sent a clear signal to the Wildcats that Northern had not "just shown up". It also indicated in what manner the Polar Bears were going to use to score. Mr. Getty completed 12 of 24 passes on the night for 120 yards. He did suffer one interception. Phil also suffered a couple of incompletions or just plain dropped footballs, but on the whole Northern receivers found more open spots in the Mechanicsburg defense, than you find as swiss cheese. In particular Senior Ryan Silver had a career in getting open against the Wildcats.

Northern's other scores came on a 31 yard field goal by Senior Chris Kilmore in the second quarter, and an 8 yard reception by Senior split end Curt Heffelfinger in the third quarter.

Unfortunately for the Bears, they just could not find a competent running game to take pressure off Getty. Sixteen rushes for only 39 yards is not much help. Mechanicsburg, however, unleashed their big (6'2"-210 lbs.) fullback Sr. Jerry Lucas, swift halfbacks Mike Hancock and Sean Stefanic on the Bear defense. Operating behind that big offensive line, these three, and their replacements, rushed the ball 46 times for 337 yards. To complement the running game, that line also protected Wildcat QB Kevin McCollum long enough for him to complete 5 of 6 passes for 99 yards and two touchdowns.

While a loss is a loss, there had to be plenty of positive notes for the Northern coaching staff to consider. But now the attention must be focused on this week's opponent, the Milton Hershey Spartans.

Northern will be making its second trip to Hershey in three weeks, hoping the results will be alot different than the first time. The big question coming out on this Saturday afternoon (9-29) encounter is, "Which Milton Hershey football team will show up?"

Spartan Head Coach Bob Cuyer has his hands full. His ball club has not been able to really get it together. Now 1-1 in conference play, and 2-2 overall the Spartans really self-destructed in their last game a 27-14 loss to Red Land. Milton Hershey has more size, but not much. Their strength also happens to be the running game. The Spartans always seem to find a back or two that has decent outside speed. The "buzz" word for Northern will be contain. If the Bears can do that against the Spartans, and get their own offense in gear, it could make for a very interesting game. Northern played well against a bigger team, now they should do well against one their own size!

Junior Varsity Soccer Bears Extend Record to 6-1-2

By Steve Lusk

The Northern JV Soccer team squeaked a tie against Trinity, shut out Susquenita, and played hard to earn a draw versus Red Land to run their season record to 6-1-2.

Thanks to two Kurt Knaub scores on penalty kicks, the team managed a 2-2 draw against the Shamrocks. Keeper Brett Shoemaker preserved the tie with an outstanding diving save on an errant ball off the foot of, guess who?, Knaub.

Susquenita just did not have the talent to stay with the depth of the Northern program, as the JV's blanked the Blackhawks 5-0. Scoring were Mark Ayers, Knaub, Scott Neghus, Floyd Freeman and Shawn Massey. An assist went to B.J. Zkouff.

Red Land had all they could handle with the Junior Bears, requiring a late score to salvage a 3-3 draw. Northern held a 3-2 lead at the half, but was unable to penetrate the Patriot defense in the second half. Scoring for the Bears were Chris Mehring, and Knaub (2), with assists going to Jon Keverns and Mehring.

net. Keeper Sanderson had no chance on what was simply a great shot.

The Bears had several good penetrations into scoring territory, however shots were generally wide and Trinity was never threatened with any attempts that could be labeled "dangerous". As coach Swomley reports, "We had numerous opportunities, but could not find the net for a score."

Thursday, Sept. 20 saw the Bears visit Susquenita, where they posted a lop-sided 7-1 victory. Swomley notes, "this game was another mismatch for a Susquenita team which suffers from the lack of a soccer club program in their community. This only serves to point out what a tremendous job the Dillsburg club program is doing." Undoubtedly, the volunteer efforts of those involved in The Dillsburg Area Soccer Club have helped to promote interest in soccer, and also the coaching of the very important fundamentals of play.

Scoring for Northern in the victory over the Blackhawks were Mario Ceo, Chris Kilmore, Brian Breniser, Joel Yohn, Kyle Hess, Tom Sarup, and Brett Ginter. Assists were earned by Drew Siverling, Andy Spicher (2), Tom Irwin, and Sarup.

Division I Red Land visited Northern on Saturday, Sept. 22 and were shut out by the host Bears 3-0.

The team started slowly, a habit they need to soon shed, but after the first ten minutes the passing game and the defense began to get Swomley felt that all seventeen team members played well, and that "it always feels great when a division III team knocks off a division I opponent.

Scoring for Northern were Ceo, Yohn, and Chad Rosenberger, while an assist went to Kilmore.

The team's overall play, as of 9/22, stands at 7-2, 5-1 in division play. A Saturday rematch with Mechanicsburg is set for September 29th at 10:00 a.m. at Mechanicsburg, and Tuesday evening, October 2nd, the team travels to East Pennsboro to face a tough Panther squad.

Varsity Soccer - NHS wins two, looses one

by Steve Lusk

In a game featuring two teams undefeated in Mid-Penn Division III, the Trinity Shamrocks edged Northern 1-0 to grab the sole possession of first place.

It became clear as the game progressed that the two squads were very evenly matched. The Bears never were able to establish the sharp passing game which has produced a good offensive attack this year. "A struggle" might best describe play at each team sought to gain some type of advantage. The score at the half was knotted at 0-0.

Second half action featured more of the same. The Northern defense was outstanding, with Jason Gerber, Drew Siverling, Tony Pietropola, Jason Suffler, Steve Miller and Eric Sanderson thwarting the Trinity attack. Unfortunately for the Bears Trinity foreign exchange student Javier Palanuelos was near the eighteen, dead center of the field, when he fired in the game winner. The Shamrock had his back to the net, and was marked up well by the Northern defense, when he tapped the ball left, did a quick 180 degree pivot, and drive the deciding goal into the net. Keeper Sanderson had no chance on what was simply a great shot.

The Bears had several good penetrations into scoring territory, however shots were generally wide and Trinity was never threatened with any attempts that could be labeled "dangerous". As coach Swomley reports, "We had numerous opportunities, but could not find the net for a score."

UP FOR GRABS - Northern's Varsity Soccer pounded Red Land 3-0 last week at home.

Pee Wees Celebrate Win

by Alice Perva

The Pee Wees were back on the winning track again with an exciting 13-7 win over the Holy Name Jets on Sunday, September 23.

Defense was the key to the game as the Northern Polar Bears refused to allow the Jets to cross either 20 yard line until late in the fourth quarter. The Jets scored their sole touchdown when the Polar Bear strong defensive starters were out of play.

Leading the defense with 9 tackles each this week were Brad Perva, Brock Benson, Ryan Napoli and Tim Anthony. Following closely were Jason Gates and Scott Magee with 8 tackles each, Ben Hart and Ancoi Kounlavong with 7 tackles each and Brent Weaver, Tom Weaver and Dustin Kipe with 6 tackles each. Tim Anthony intercepted a Jet pass and Mike Manoni recovered a key fumble by Holy Name to round out a strong game by the defense.

Offensively, starting quarterback Brad Perva back at the controls for Northern, led the Polar Bears to an outstanding 209 yards total offense. Jason Gates led with 103 yards rushing followed by Tom Weaver for 39 yards. Ancoi Kounlavong picked up 26 yards on the ground. A 41 yard pass from Perva was caught by Brock Benson. Jason Gates and Tom Weaver scored the two Polar Bear touchdowns.

"This was the biggest win thus far in the season for Northern. After the loss last week, we really needed to get a strong 'team effort,' said Coach Daryl Dissinger. "The men played an outstanding game against a very tough team."

This win boosts the Pee Wees to 3 wins and 1 loss putting them 2 games ahead of the Divisional opponents.

The young men worked very hard at practice this week and the Pee Wee coaches Daryl Dissinger, George Davis, Andy Mowery, Steve Napoli, Preston Reppum and Tom Weaver would like to say, "Great Job, men. You deserved this one!"

Despite a big improvement in the defensive line, the pony team suffered a 13-0 loss to the Holy Name Jets. The Northern offense played a good game with Tim Sturgeon running well but they just could not seem to get into the end zone.

Midget Head Coach John Walker was pleased that his team played well together but the Northern Midgets also suffered a 13-0 loss to the Jets. The defense played a hard game and the offense looked good but a goal stayed out of reach.

Next Saturday the midget teams play at home again starting at 6 p.m. against Boiling Springs.

Varsity Soccer player Brett Ginter keeps his eye on the ball as the Bears played Red Land at Northern.
